* Compared with XZY

MICHELIN XZY 3

WIDE SINGLE TYRE FOR TRAILER AND STEER AXLES. PERFORMS IN THE MOST DIFFICULT CONDITIONS.

LOWER COST per KILOMETRE

- Reinforced sidewalls and tread protect casing, giving a higher acceptance rate for retreading
- 25% more usable tread rubber*
- Large tread blocks, more resistant to tearing and scrubbing*

LESS DOWN-TIME for your vehicles*

- Improved steel reinforcement under the tread offers protection in the most severe conditions
- Ribbed sidewalls provide additional casing protection
- The excellent durability of the Michelin casing

Designed to meet STEER AXLE requirements.

- Tyre uniformity that meets the exacting requirements of the steer axle
- Tread pattern designed to provide grip and control in steer applications
